Dear Sir:

Applicant hereby requests consideration of this PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED UNINTENTIONALLY. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. Additionally, Applicant is providing herewith the required reply as well as a complete Substitute Amendment to replace the amendment mailed on August 16, 2007. Specifically, Applicant is providing a Substitute Sequence Listing, Computer Readable Form and Substitute Statement Under 37 CFR 1.825(a) and (b) as required by the Office Communication of November 15, 2007. Also provided is a Substitute Amendment, which is identical to the amendment mailed on August 16, 2007 except for the corrections required by the Office Communication as well as additional amendments to the specification to demarcate further identified trademarks, the correction of typographical errors, and the addition of a statement in regard to the requirement mentioned in paragraph 25 of the non-final Office Action

of February 16, 2007. Additionally, all of the trademarks identified, and not already signified as such, are capitalized herein.

It is respectfully submitted, therefore, that this application be revived and the enclosed Substitute Sequence Listing, Computer Readable Form, Substitute Statement Under 37 CFR 1.821(a) and (b) and Substitute Amendment be entered.
